RESOLUTION NO. 10 Series of 2021

APPROVING THE PROPOSED REVISIONS OF THE SANTA IGNACIA WATER DISTRICT'S (SIWAD) SERVICE CONNECTION FEES, CHARGES AND SERVICES DUE TO THE PREVAILING INCREASES IN THE COSTS OF MATERIALS, LABOR, WAGES, POWER AND FUEL

WHEREAS, the SIWAD existing service connection fees, charges and services were never increased since it was approved in January 16, 1999 as per Resolution No. 01; (ANNEX A)

WHEREAS, the SIWAD decided not to increase these fees in order to encourage more new service connections in its aim for a Category C Water District which is to have 3000 active consumers;

WHEREAS, the SIWAD, then still able to manage its financial obligations due to the increasing number of applicants for new service connections while maintaining yearly collection efficiency rate of above 90%;

WHEREAS, due to the water quality problem of the Lasip Deepwell which started in 2018 hence, the need to rehabilitate the well every 3 months, SIWAD savings has been exhausted;

WHEREAS, in order to lessen these financial difficulties and to cope-up with the prevailing rising costs of materials, labor, wages, power and fuel, the SIWAD is forced to revise and increase the service connection fees, charges and services rather than implementing the LWUA approved water rates increase;

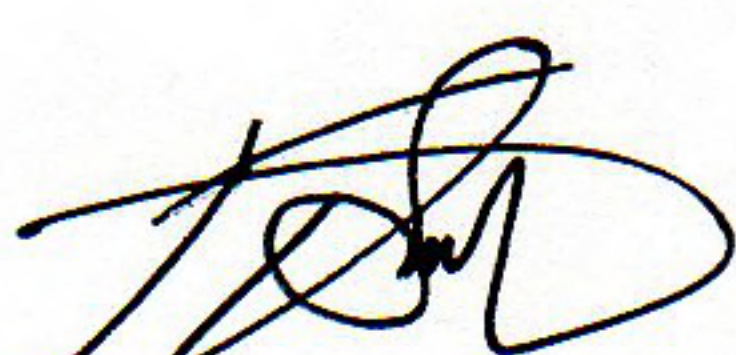

WHEREFORE considering the above premises and on motion duly made and seconded, be it:

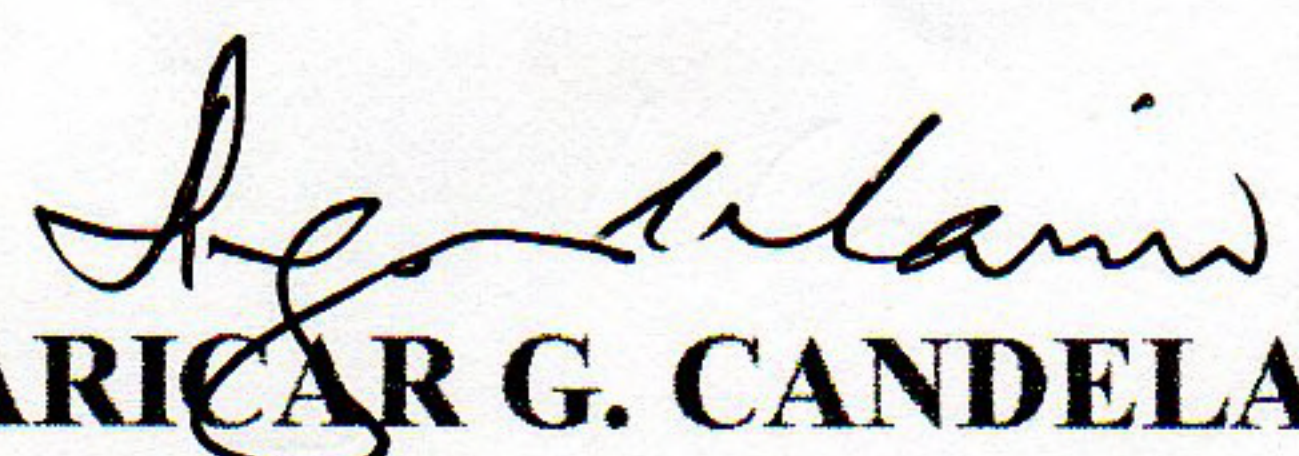

RESOLVED, AS IT IS HEREBY RESOLVED, to approve the proposed revisions of the SIWAD's service connection fees, charges and services (ANNEX B) due to the prevailing increases in the costs of materials, labor, wages, power and fuel.

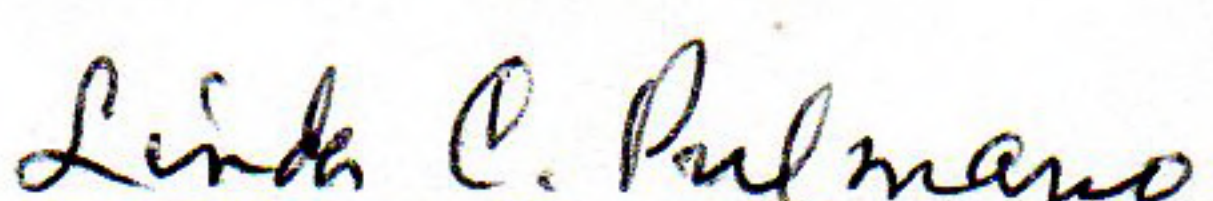

RESOLVED FURTHER, AS IT IS HEREBY RESOLVED, that the effectivity of these increases will be on September 27, 2021; after posting the information of the increases at the SIWAD's Citizen's Charter and Website.

Unanimously approved this 11th day of August 2021 at Santa Ignacia, Tarlac.
